## **Statewide Sales and Use Tax Rate Decreases by 1% July 1**

The statewide sales and use tax rate will decrease from 8.25 percent to 7.25 percent on July 1, 2011, First District Board of Equalization (BOE) Member Betty T. Yee announced today.

The 1 percent decrease applies, generally, to all taxable transactions in California. In areas where voters have approved additional sales taxes, the total tax rate applied to purchases will be the statewide base tax rate of 7.25 percent, plus any applicable local sales tax. Retailers should check the BOE website, [www.boe.ca.gov](http://www.boe.ca.gov), for updates.

Part of a 2008-09 budget agreement, Assembly Bill x3 3 temporarily increased the General Fund portion of the sales and use tax rate by 1 percent in April of 2009, and will sunset on June 30, 2011.

The sales and use tax rate in California currently ranges from 8.25 percent to 10.75 percent, depending on whether additional regional voter-approved sales taxes apply. Beginning July 1, 2011, the range will be 7.25 percent to 9.75 percent.

Board Member Betty T. Yee was elected to her post in November 2006. Her district includes many of California's coastal counties, from Del Norte to Santa Barbara, and includes the entire San Francisco Bay Area.

The five-member California State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$48 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes. For more information on other taxes and fees in California, visit [www.taxes.ca.gov](http://www.taxes.ca.gov).
